COPYRIGHT FORM

Sub: Submission of an original/short communication/review article/case report with copyright agreement and authorship responsibility.

Title of Article: _____

I/we certify that I/we have participated sufficiently in the conception and design of this work and the analysis of the data (wherever applicable), as well as the writing of the manuscript, to take public responsibility for it. I/we believe and know the manuscript represents valid and original work and reflects no plagiarism/copyright infringement issue. I/we have reviewed the final version of the manuscript and approve it for publication. Neither has the manuscript nor one with substantially similar content under my/our authorship been published or is being considered for publication elsewhere. I/we have read and know policy/rule of INE Journal of Nursing (IJN). Authors accept that they are solely responsible for the content of article and not IJN. I/we declare that this article has not published anywhere and I/we know that plagiarized article will be deleted even after publication. Publication fee once paid is not returned in any circumstances. We certify that all the data collected during the study is presented in this manuscript & no data from the study has been or will be published separately. Furthermore, I attest that I shall produce the data upon which the manuscript is based for examination by the editors or their assignees, if required. I/we give consent for publication in the INE Journal of Nursing (IJN) in any media (print, electronic or any other) and transfer copyright to the IJN. I further state that there is no conflict of interests among the authors/co-authors regarding publication of this article.

I/we also agree to the authorship of the article in the following sequence:

Author's name(s)	Signatures
1.-----	1.-----
2.-----	2.-----

Note: All authors must sign this form. However, First/Corresponding author may sign on behalf of others with consent. No addition, deletion or change in the sequence of authors is allowed at a later stage.
